

STABC General Meeting Minutes

STABC Charter: STABC is a non-profit organization (NPO # 77-0382552) that provides avenues for the athletic teams of Santa Teresa High School to raise the much needed funds to bridge the gap between what the district contributes and what it actually takes to run these programs.

Date: Tuesday April 4, 2023

Time: 7pm in Library

- Welcome and Introductions (Please Sign In) – 21 people were in attendance.
- Confirmation of minutes of previous March 2023 meeting – Minutes were approved as written.
- Reports
 - Principal/Athletic Directors/Coaches –
 - Spring sports are going well. May 24th is Sports Awards night, and a new award vendor has been found. Sports Trophy Case has arrived. September 15th football game against Leigh will honor retired football numbers that will be displayed at stadium. Sportsmanship expectation sandwichboard order has been placed.
 - A question was asked of ADs about putting spring sports on website. The ADs said they will look into that.
 - A question was asked about where students can leave their sports gear during the school day. ADs said PE office allows for large items to be stored but have to be picked up right after school gets out.
 - A question was asked about teams fundraising and how parents can know what the money is being spent on. ADs explained that the money is controlled by ASB and the activities director is the one that monitors that not ADs. So, questions would have to be directed to the activity's director. ADs emphasized that parents and students can ask coaches directly how the money is spent. Michelle suggested that the procedures for fundraising could be written out for all families to understand to prevent concerns and questions in the future.
 - A question was asked about why sports used Vertical Raise. ADs clarified that STHS has a contract with Vertical raise. Coach Fujii did say she would put a blanket statement about fundraising on the STHS Athletics website page.
 - A question was asked if STABC could put banner on front of school advertising website that would be linked to school athletics page to help increase communication regarding school sports and STABC. ADs thought it sounded like a good idea and suggested checking with Mr. Scialabba.
 - Current Coaching Openings: Girls Basketball, Soccer, JV Volleyball.
 - A question was asked about Frosh Boys Basketball (not official team, no paid position, no court time).
