STBoosters

STABC is a non-profit organization that provides avenues for the athletic teams of Santa Teresa High School to raise the much needed funds to bridge the gap between what the district can contribute and what it actually takes to run these programs.

Safe equipment (bags, balls, etc.) and gear (pads, helmets, etc.), are just some of the items that funds are used for.

STABC also proudly sponsors the blocks/ pins for letterman jackets and annual Athlete Awards & Recognition, including modest scholarships to our Senior Scholars Awardees and the runner ups.

STABC appreciates your support through volunteering, contributing financially or providing donations. We hold two major fundraising events. Our annual Crab Feed in March and our 5k/10K Sprint for Sports Run in September.

Donations are crucial to our success. We offer grants to the teams so aside from our support, teams can also earn a direct benefit for participation. This year we are expanding that offer to any STHS group that wants to support our events. We can assure that your donation will directly benefit the group of your choice by specifying on your donation form ("Group, Organization or Team to Benefit from Donation"). We fully appreciate and gladly recognize our contributors on literature that is used throughout the year and are currently working on a sponsor page for our website.

If you have any questions or would like to contact our Treasurer, Nuria Root with more questions on volunteering, providing donations or to see our financial records please email her at treasurer@stabc.org.

Sincerely,

Steve Guerrero, President
